Admission Notice &
Charity Care/Financial Assistance Application Form

California requires all hospitals to provide free or reduced-price care to people and families who meet certain income requirements. You or your family member may qualify for free care or reduced-price care based on your family size and income, even if you have health insurance.

Helpful Terms:

- "Charity Care" refers to the scenario where a patient or guarantor has no financial responsibility.
- "Financial Assistance" refers to the scenario where a patient or guarantor has some financial responsibility but at a discounted rate (*i.e.*, a discount payment).

Charity Care and Financial Assistance are secondary to all other financial resources available to the patient, including the following (collectively, "Third-Party Coverage"):

- Group or individual Medical Plans
- Workers' Compensation
- Medicare/Medi-Cal
- Other State, Federal, or Military programs

In those situations where payment sources are not available, for medically necessary hospital care received on or after Jan 1, 2022, Kindred Hospital will consider patients for Financial Assistance and Charity Care when Third-Party Coverage, if any, has been exhausted, based on the following criteria:

Income as a Percentage of Federal Poverty Level	Percentage Discount	Category
Less than or equal to 200 percent	One Hundred Percent (100%)	Charity Care
201-300 percent	Seventy five percent (75%)	Financial Assistance
301-400 percent	Fifty percent (50%)	Financial Assistance

For patients who are eligible for Financial Assistance, in no event will such patient's or guarantor's responsibility exceed the amount Kindred Hospital would expect in good faith to receive from Medicare or Medi-Cal, whichever is greater, for providing such services. Such patients are also entitled to a reasonable payment plan to allow payment of the discounted price over time.
